## Career & Educational Counseling Center

# Preparing for Change One Day at a Time

*The Career and Educational Counseling Center* at South Oaks Hospital has been distinguished for excellence in providing valuable vocational rehabilitation and career guidance to individuals with and without disabilities. The program provides individuals with increased insight regarding his/her strengths and weaknesses through assessment, observation and counseling. It is designed to provide career guidance and direction through vocational training, transition planning, further education or job placement.

## *About Our Staff*

Highly skilled counselors with Masters Degree and certification as Certified Rehabilitation Counselors (CRC) and Licensed Mental Health Counselors (LMHC) dedicated to preparing individuals for change.

## *Who Can Benefit?*

- Adolescents
- Adults of all Ages
- Employers
- Community
- Educators

## *Adolescent Transition Services*

A partnership with schools, educators, students and families to meet the unique needs of each individual.

- Transitional Planning
- Vocational Assessment (Level II)
- Community Placement (Level III)
  - Job Coaching
  - Job Development
  - Travel Training
- Consultant at annual Committee on Special Education (CSE) meeting for transition planning
- Life Skills Programming

## *Meeting the Challenges of Successful Employment*

Curriculum and staff provided at your location to better prepare students to meet the challenges/barriers of successful employment.

**Fees:** Are cost effective and individually designed to meet the specific needs of the school and individual.

**More For Less:** A Valuable Option for School Districts - Districts are afforded quality individualized services on site while decreasing their related costs.

**Free Initial Consultation on All Services**
